As our days end, we linger recalling the laughter
ringing through the halls of our Alma Mater.
Soon others will follow the path

# We Honor...

To be a teacher, banker, auditor and a bookkeeper for a $40,000 account at the same time is not easy. That is why the class of '53 chose to dedicate its yearbook to Mr. Ralph Eggert, commercial teacher at West Bend High School for the past twelve years. Before coming to West Bend, he taught for four years in a rural school system.

Mr. Eggert handles all financial receipts and payments, issues financial reports, prepares records for auditing, and checks with student treasurers periodically for accuracy of club finances.

Born in Shawano, Wisconsin, Mr. Eggert attended Shawano County Normal one year; received his B. E. degree at Whitewater State Teachers College, and obtained his M. A. degree at Northwestern University.

In 1945 Mr. Eggert entered military service and was assigned to Infantry Headquarters Company.

In recognition of these many services, the class of '53 is pleased to dedicate this volume to Mr. Ralph Eggert.

# Administration

Mr. Fred Holt has now completed five years as superintendent of West Bend Public Schools. He is a graduate of the University of Wisconsin where he earned B. S. and M. S. degrees.

Always alert to the needs of West Bend's "younger set", Mr. Holt at present is concerned with the building of new elementary schools.

Mr. Fred Schultz, our new principal, came to West Bend from Battle Creek, Michigan, where he held a similar position. He has done graduate work at Northwestern for an M. A., Colorado, and Columbia Universities. Wisconsin is not new to him, however, since he did undergraduate work at Milwaukee State Teachers College, earning a B. E., and also taught in Manitowoc.

Mr. Schultz spent a summer traveling in Europe, and during the war was a member of the United States Coast Guard Reserve.

He enjoys fishing, hunting, and sports but most of all his family. Welcome to our community, Mr. Schultz.

Duties of the Board of Education, pictured below, are many and varied. In the past year their dream was realized with the completion of the south wing addition to the high school. It is through their efforts that constant improvements of our school facilities and curriculum changes are made.

Here we are students of the 1953 graduating class with many memories of our past four years that will not easily be forgotten. Freshman day was our first opportunity to work and enjoy ourselves as a class, and after a few days we knew the school routine quite well.

In our first class elections we selected Dick Schloemer as president; Jim Lang, vice-president; and Mary O'Meara, secretary-treasurer. Ed Blohm, having been elected vice-president of the Student Senate, represented the class in the Homecoming festivities and added to our pride 'n joy as one of the stars of the "A" football team. Freshmen constituted the largest number participating in forensics and debate. With the coming of June we had not only lost the title of "green horn", but also firmly established ourselves as a class worthy of recognition.

Returning in the fall as upperclassmen, we felt no qualms when entering the school activities. In football we now boasted several lettermen, and the cheerleading section included six sophs on the "A" squad. Now more familiar with the traditions of the school, actively participating in class functions and having elected Ken Frank, president; Dick Schloemer, vice-president; and Clifford Ahrens, secretary-treasurer of our class, we felt that we had done justice to our sophomore year. Still we were eagerly awaiting to become juniors.

Finally, the most exciting year of all arrived! We were now envied juniors. Donna Held represented the class as secretary-treasurer of the Student Senate. Class president and prom king was Jim Lang; Ken Frank, vice-president and Jackie Cook, secretary-treasurer were now our leaders. Class rings were chosen in October and proudly shown to underclassmen. During the latter part of the debate season the "A" team was composed entirely of juniors. Climaxing the year was the prom "Stairway to the Stars" with Mary Ackerman reigning as queen. It was also during this year that a community post prom party was held for the first time. These were the highlights of a most successful year.

Suddenly we were seniors, the year in which one plans to participate in all the activities that were skipped other years. Chuck Gessert was elected president; Ken Frank, vice-president; and Blanche Stowers, secretary-treasurer. Our class was well represented in forensics and debate. We were always busy running to commencement committee meetings, play rehearsals, getting the Clipper and Bend copy written or rooting and cheering at various athletic contests. We reached the end of our high school career filled with happy memories and regretting to leave West Bend High. We will be starting a new life either in a vocational field or by enrolling in a college.

This year's senior class play, "Our Hearts Were Young and Gay", was taken from the real-life experience of Emily Kimbrough and Cornelia Otis Skinner. The play was directed by Miss Barbara E. Necker and Miss Roselyn Zukoski, assisted by Lucille Wardius, student director.

When two young girls such as Cornelia Otis Skinner (Mary Lou Millard) and Emily Kimbrough (Susan Kircher) start off on a trip to Paris, there is bound to be plenty of excitement. This is what worried Mr. and Mrs. Skinner (Chuck Gessert and Mary Matenaer) as they bid the girls farewell.

Emily starts the ball rolling when she makes a futile attempt to rescue a man who has gone overboard. Emily's only difficulty was that she used a deck chair as the buoyant object to be thrown to a drowning victim, and it hit him "right on the head." This leads to hilarious situations with the admiral (Steve Schatz), the purser (John Koehn), the steward (Dick Ruppin), and the stewardess (Barbara Devine).

Throughout the entire play the girls are trying to dispose of the safety-pockets which their mothers gave to them as going-away gifts. However, each time the girls thought they had successfully gotten rid of those things, they were gallantly returned by the ship's admiral.

Harriet St. John and Winifred Blaugh (Darlis Justman and Carol Gonring), bring a touch of "jolly old England" into the scene as they commute between their stateroom and Cornelia and Emily's in an attempt to get their teeth brushed. "Frightfully" and "Ripping" have the uncanny ability of prying into other people's business.

Dan Cupid has his sights set on Cornelia and Leo McEvoy (Walter Ziegler), but has to work harder with Emily and Dick Winters (Paul Naus). Leo and Dick are medical students attending Harvard University. The night before the ship docks, Leo asks Cordelia if he could name their fraternity skeleton after her!

Before reaching Paris, Cornelia contracts measles and has a hard time leaving ship because of the inspector (Kristine Hoy). The inspector does not realize that Cornelia has the measles but suggests that she be given a mental test.

In Paris the girls have a battle with bedbugs in a hotel run by Madame Elise (Carole Weber) and her daughter Therese (Blanche Stowers).

A near tragedy occurs when Cornelia is told by her favorite French actor, Monsieur De La Croix (Jim Puerling) that she has no acting ability. However, everything ends happily when she eventually proves her talent and sails for home with happy memories of a well spent vacation.

# The Junior Class

## . . . *Crown of Glory*

What a wonderful feeling it was to become a Junior and to be recognized by all as an upperclassman.

Soon after the opening of school, Bob Schneider was elected our class president and prom king. Dennis Gagan and Ruth Bunke were also elected to class offices.

The Junior class was successful in nominating and electing Bob Lauson to the position of president of the Student Senate in one of the most thrilling races in the history of our school elections.

Homecoming provided an added thrill as Linda Taagen, queen, led the grand march in the beautifully decorated gym at the homecoming dance.

Everyone was proud to wear his class ring chosen by a class vote from three which had been selected by the ring committee.

Junior athletes such as Roger Johnson and Ilo Rauscher displayed their "spunk" and determination to win in every game played.

Forensics and debate kept a number of students "hustling" this year. Dennis Kral was a member of the "A" debate team, and Brian Beck went on to the State contest in forensics.

As the year came to an end, everyone was busy preparing and carrying out plans for our prom, held on May 22, the theme being "Moonlight and Roses."

The junior class also had its share of dramatic ability. Dennis Kral played the father in the all school play, "Dear Ruth".

Our junior year has surely been a success. You can be sure that we are all looking forward to our senior, hoping that it is as exciting as this past one has been.

# The Sophomore Class

## . . . *Nonsense and Learning*

Sophs! A great change from being the "green horns" of last year.

As everyone became familiar with the school rules and regulations, we adjusted ourselves to make our next three years in WBHS the happiest time of our lives.

Soon after the opening of school Mike Donahue, Roger Bauman and Carol Gessert were elected class officers.

Virginia Hoy was our candidate for Homecoming Queen, and Mr. Bertram's homeroom once again came through with flying colors placing first in the float contest with their terrific tank.

Helping pave the way for better school government was Tom Ackerman, having been elected for the second time as vice-president of the Student Senate. Our senators also contributed much to help make the school better.

One of the most exciting moments was seeing Queen Carmen Kerry leading the grand march of the Mid-winter formal with Noraleen Wendelborn and George Heilmann represented on the court.

At the close of the semester we saw the crowds cheering for our fighting basketball team led by Cheerleaders Betty Troedel and Sue Griepentrog.

The "Hoop Hop" dance brought praise from all as a fine class project.

With the coming of spring, many boys participated in baseball, tennis, and track. Forensic eliminations were also held. Many classmates were also seen displaying their talents in the operetta and in the all school play. Others were kept busy writing articles for the "Clipper" and helping to make the school paper a success.

Next year as juniors we shall work hard to hold the title of upperclassmen.

# The Freshman Class

## . . . *Age of Innocence*

Our first day of high school! It seems like ages ago, but all of us have many memories of this wonderful day which will remain with us the rest of our school years. We didn't know our teachers or where to find our classrooms, but Freshman Day solved most of these difficulties and introduced us to high school life. When it was time to go home at the end of the first day, we knew that the four years ahead of us would be very enjoyable.

In the weeks that followed we got to know our teachers, our new friends, and the upperclassmen much better.

Then came the day of the all-school pep meeting. When we heard the band and the cheerleaders, we found out what true school spirit is like.

Our first homecoming was a success. Miss Forster's homeroom won a prize for their float, and Mr. Strohacker's won second prize on their window display. We all cheered very hard at the game and were overjoyed when our team won.

Although excitement and rivalry ran high during class elections, like true citizens of a democracy, we were satisfied with the results of the election and gave whole-hearted support to these officers: Dick Beth, president; Raymond Kreis, vice-president; Sally Brown, secretary.

We are proud of the freshmen boys who played football and basketball. Many others went out for debate and forensics. The freshman class was well represented in all the school activities, and we are looking forward to further experiences in these fields.

Although we regret the passing of this wonderful year, we are looking forward to our next three years with great anticipation and further realization of our educational hopes.

## . . . *They who value the merits of others*

One of West Bend High School's youngest organizations is the National Honor Society. The purpose of the West Bend Chapter, as stated in its Constitution, is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the students of West Bend High School. These are the standards symbolized by the torch and crest of the National Honor Society.

Members of the chapter must be juniors or seniors who have spent at least one semester in West Bend High, maintained a scholastic average of not less than 85%, and ranked high in the afore mentioned qualities of service, leadership and character. New members are chosen twice a year.

New members elected during the first semester were: Ruth Bunke, Barbara Frankow, Dennis Kral, and John Moeller, juniors, and Rita Albrecht, Charlotte Goeden, Lowell Hauch and Dan Smith, seniors.

Members elected during the second semester and not pictured were Rosalie Falk, Pat Metz, Walter Ziegler, Peter Hosp, Brian Beck, Paul Collins, and Jim Gonring.

Miss Heidner, Miss Costello, Miss Prahl, Mr. Baxter, Mr. Panfil and Mr. Schultz are the faculty advisers of the society.

# Awards Day

## *Recognizing the outstanding*

Out of the nine months we go to school, parts of two days are always set aside to give awards to those students who show the most achievement in academic and extra-curricular activities.

Joanna Franz and Don Mayo were presented the American Legion Award, having been selected as the outstanding boy and girl of the senior class.

The $100 D. J. Kenny-B. C. Ziegler Award is given each year to the boy and girl debaters of any class who have shown the most progress during the past season. Mary Lou Millard and Steven Schatz were given this award.

Barbara Bernhardt received the Bausch and Lomb Award for outstanding work in the field of science.

For her interest and initiative in obtaining her high school education, despite handicaps and difficulties, Maia Bergman received the Kiwanis Award.

A watch was presented to the honor athlete, Don Mayo, and a medal to the outstanding girl athlete, Kathleen Reichert, by Mr. Bob Pick.

Because of Gladys Schleif's good character and interest in nursing, she received the Thelma Schowalter Scholarship. Since the receiver of the award of the previous year was unable to use the scholarship, it was re-awarded to Barbara Ruegg. This scholarship entitles the girls to attend Deaconess Hospital School of Nursing in Milwaukee.

Joanna Franz and Jim Sauer received the Ziegler Foundation Scholarship which provides $300 annually to two outstanding seniors. This boy and girl must represent the qualities of scholarship, leadership, and good character. Betty Conrad and Joel Cook were the alternates for this scholarship.

An award new for our school was the Extemporaneous Speaking Trophy presented to Penny Ramaker by Mr. Evenson. Penny was the outstanding speaker at the NFL Contest.

# Student Senate

## . . . *Representatives of the majority*

Giving each student representation in the government of the school is the purpose of the Student Senate. Every two weeks the senators from all the homerooms, the four class presidents and the elected officers of the Senate, Bob Lauson, president; Tom Ackerman, vice-president; and Edith Shaw, secretary-treasurer, meet with their faculty adviser, Mr. Schultz.

Homecoming was the first project undertaken by the senate this year. Committees appointed by the senate were in charge of details concerning the floats, windows, parade, dance and bonfire.

Another big project sponsored by this group was the variety show. Proceeds from the sale of tickets will be applied to the activity cards for next year. The activity card system was introduced by a student senate in a previous year. The cost of the cards this year was $4.00 and is an admission ticket to all school sponsored games, dances, concerts, the Junior Prom, other extra-curricular activities, and provides a partial payment on the Bend, and also serves as a subscription to the school newspaper.

Two senators were sent to the Little Ten Student Council meeting where they talked over problems and exchanged ideas with representatives from other schools. Members of the senate acted as guides at various school functions and conducted a lost and found department. They also sponsored a school-wide clean up campaign.

In these and in many other ways the student senate helps to keep West Bend High a democratically run organization, one in which each student is represented.

# The Prom

## . . . *Dancing on a "Stairway to the Stars"*

Even as seniors we still remember the hard work and the enjoyment of making our prom a success. The prom was held on May 2, 1952, with the theme "Stairway to the Stars."

The wonderment of who would be queen brought much excitement, but finally at the Pre-Prom Jim Lang announced Mary Ackerman as his queen. The queen's attendants and their escorts were Mary Lou Millard and Steven Schatz, Edith Shaw and Tevis Reynolds, Janine Maxon and Ken Frank, Jacqueline Cook and James Puerling, Blanche Stowers and Matt Hupfer, and Cynthia Kuechler and Charles Gessert.

The gym was decorated so that all couples were dancing in a heavenly atmosphere. A combination of clouds, angels, murals and castles decorated the sides of the gym. Aluminum foil on the ceiling with colored lights made a beautiful effect. A huge aluminum foil star was placed between the two doors of entrance, and bright, glittering stars were hung from the ceiling. King Jim Lang and Queen Mary Ackerman were crowned by last year's king and queen, Jim Rosenheimer and Joan Wagner.

The triumphal march from "Aida" was played for the grand march. After the grand march, we danced to the music of Richard Kent and his orchestra.

All of us were very proud of the work done by everyone on the various committees. Miss Stratton, Mr. Kuckuk, Miss Bornfleth and other junior advisers gave much help in making the prom one to remember.

# The Campus Clipper

## . . . *Recorder of current events*

This year the Clipper advanced another step by becoming a printed newspaper instead of a mimeographed paper. With Carol Gonring, editor-in-chief, the new Clipper provided for twice as much copy as in previous years. This meant the feature staff, whose job it is to provide entertaining stories, and the news staff, which covers all current events in school, had to work hard in order to get enough stories for the Clipper. These two staffs were run by Elsie Gerhardt, feature editor, and Lucille Wardius, news editor.

The sports staff, headed by Dennis Kral, covered all games, track events, intramural activities, and G. A. A. news.

Because of the printing, it was necessary to add a copy reading staff. The duty of this staff, under the leadership of Mary Lou Millard, was to proofread all stories, correcting grammatical errors and writing headlines.

All advertisements and financial matters were taken care of by Charles Gessert, business manager; and Nancy Wickert served as manager of the typists. Celia Frank and her circulation staff handled the folding and distributing of the Clipper.

Miss Donna Whiting, the faculty adviser, offered many interesting and new ideas. It is to her we owe the credit for the efficient management, the high standards, and the good presentation of the news in the Clipper.

# Speech

## DEBATE

One of the inter-school activities in which West Bend High always excels is debate. This year was no exception. Early in November our high school played host to fifteen schools in this area in a discussion tournament, a procedure unprecedented in debate work. So successful was this meet, that our team was requested to repeat and explain its procedure at the University of Wisconsin this summer. This idea was tried in order to give each debater a picture of the subject: Resolved: That the Atlantic Pact nations should form a federal union.

After that the speakers worked hard to learn as much about the question, its problems, and its possibilities as they could. Then the cases were written. In a week the practice debate tournies started. They were held every Saturday at West Allis Central High, Notre Dame High, U. of W. Extension, Neenah High, Sheboygan Central High, and Marquette High.

By the time February rolled around, we were prepared for the real contests. Next our "A" team was selected, and what an "A" team it was! Mary Lou Millard and Carol Gonring took the affirmative side, and Walter Ziegler and Dennis Kral defended the negative side.

Here is a summary of the championship tournaments and the results:

Little Ten at Mayville: Tied for first with Hartford.
District at West Bend: West Bend first.
Sectional at Madison East: West Bend tied for first.
N. F. L. at West Bend: West Bend, third.
State at University of Wisconsin: West Bend, third.

This is a record of which Coach Bertram and his squad can feel proud. Additional honors came to Mary Lou Millard and Carol Gonring when the N. F. L. announced they were selected as one of the top 50 teams in the United States.

# . . . *How you talk . . . and as I said*

FORENSICS

The 1953 forensic season began with approximately seventy students. After weeks of practice these students participated in the inter-school contests. The following were chosen to represent the school at the Little Ten League Contest held at Hartford, Saturday, March 14: Brian Beck and Fred Strey, original oratory; Ruth Bunke and Rita Gundrum, non-original oratory; Mary Lou Millard and Sally Brown, humorous declamation; Kay Dunlop and Susan Christenson, non-humorous declamation; Glenn Varnes and Richard Koller, four minute speech; Carol Gonring and Dennis Kral, extemporaneous speaking, and Kristine Hoy and Elsie Gerhardt, extemporaneous reading.

From this group Elsie Gerhardt, Kristine Hoy, Dennis Kral, Carol Gonring, Glenn Varnes, Susan Christenson, Mary Lou Millard, Ruth Bunke and Brian Beck received "A" ratings, qualifying them for the District Contest held at Whitefish Bay March 28.

At the District Contest three more people were eliminated, bringing the total to six. These were Elsie Gerhardt, Kristine Hoy, Carol Gonring, Mary Lou Millard, Glenn Varnes, and Brian Beck who journeyed to Madison on April 11 for the state contest. This was the big contest! Although the competition was tough, Elsie Gerhardt and Mary Lou Millard succeeded in receiving "A" ratings.

The students who participated in the freshman-sophomore contest at Horicon on March 14 returned with seven "A" ratings out of a possible thirteen. These students were Fred Strey, Don Ensenbach, James Lord, Carol Gessert, Carmen Kerry, Richard Koller, Glenn Varnes, Roger Bauman, Jerome Luy, Rachel Finch, Joann Hammes, Susan Christenson, and Jane Schroeder.

Few students realize that debaters and forensic contestants may enter contests sponsored by at least two different organizations. The Wisconsin High School Forensic Association includes all the state high schools. Each year this group holds district, sectional, and state meets to make eliminations. The winners of the state meet are supposedly the best students in the state.

The National Forensic League, more commonly referred to as the NFL, is an honorary type of organization for both coaches and students. Twenty points earned in intra-school competition allow a student to become a member. Various degrees are awarded to members as they receive additional points. The highest honor in this association is the Degree of Distinction, a certification declaring a member has achieved 200 points. This includes a scholarship to Ripon college. Carol Gonring, Mary Lou Millard, Walter Ziegler, and Steven Schatz have gained this honor. West Bend has one of the largest chapters in this league.

The forensic program is directed by Miss Marita Yahr, and to her and her assistants goes the credit for a successful season.

Top Row — Fred Strey, Richard Koller, Brian Beck, Dennis Kral, Mary Lou Millard.

Mr. Cupery directing operetta rehearsal

# The Chorus

## . . . *A love of good music is theirs*

Since Mr. Cupery has come to our high school, he has increased membership in the chorus five times. There are approximately 350 students enrolled in one of the six choruses. Of these groups, the A Capella chorus is the select group composed of 60 of the best junior and senior voices. Again this year, the A Capella chorus presented an Armistice Day and a Thanksgiving program for the school. It has become a tradition to give the annual Christmas program for Kiwanis, the high school, and the public.

The operetta has become a mainstay in the entertainment program of our high school. This year's operetta, "The Belle of Bagdad" was an oriental comedy presented February 27 and 28 by Mr. Cupery, Mr. Bertram, Miss Forster and Mr. Kuckuk. The leading character, Jewel, played by Kristine Hoy, was an oriental princess whom some Hollywood scouts spotted by the amulet she wore. Dick, played by Harry Kissinger, one of the scouts, fell in love with Jewel, and captured her father's would be assassin. As an award for his bravery, the Caliph (Don Shaw) asked Jewel to present Dick with the amulet. By this he identified Jewel as the Belle of Bagdad and his search was ended. There were many dancers, tourists, natives and guards who did their part in completing a production which ran for two nights.

Next on the chorus agenda was the spring concert. This may be compared to the Christmas concert. The chorus also sings for graduation.

Letters and chevrons are given to deserving members each year, according to points earned for individual or group numbers offered at the different programs throughout the year.

# . . . *Hark! The strains of our Alma Mater*

Mr. Shlimovitz, director

"Music, Maestro, please!" This demand was fulfilled most satisfactorily this past year by the West Bend High School Band. Under the direction of Mr. H. M. Shlimovitz, the 1952-53 season again proved to be a very active one for the band. Even before the first football game the band had already "kicked off" on its program of fall activities. Practically every morning found the band out on the football field practicing maneuvers on the dewy grass. And all this time and effort were well spent, for the half-time performances this year were exceptionally colorful. A highlight of the band's football activities was its trip to Beaver Dam to participate in the gridiron tussle there.

The band also did its share of marching on the street. There were numerous parades including the Election Eve torchlight parade.

Socially, the band members were quite active, too. Early in October we all gathered at Laycock's Resort on Big Cedar Lake to hold a mammoth "wienie roast." Later in the year the hardwood floor of the roller rink got a workout as the band held its second annual roller skating party. Entertainment of an entirely different nature was provided when the famed Chicago Symphony Woodwind Quintet honored us with a concert in the school gymnasium.

Behind the footlights our band again showed outstanding accomplishment. The Thanksgiving concert opened the season followed by the Mid-Winter Concert, a performance for the veterans' home at Wood, Wisconsin, and the annual joint concert with the band and chorus.

The Swing Band had an active year of its own. Appearances at an inter-school debate clinic, FFA Banquet, City Recreational Dancing Party and numerous school dances kept the little group quite busy.

Mr. Shlimovitz, who is entering his eighth year at West Bend High School, manages to keep the band program abreast with all the latest innovations. This year he included several projects which were interesting as well as highly beneficial to those who are sincerely interested in musical accomplishment.

The memorization of all the major scales and the composition of an original solo were two of these projects.

Dear Pat,
Believe me, that swing band was enough to kill anyone.
But I don't know what we'd do without it. It was a
lot of fun and hard work. Macatho

## "DEAR RUTH"

"Dear Ruth", the all-school play, written by Norman Krasna, was directed by Miss Barbara Necker, assisted by Miss Roselyn Zukoski and given November 14.

The scene of the play is the home of Mr. and Mrs. Harry Wilkins (Dennis Kral and Kay Dunlop). Miriam, their youngest daughter, (Connie Justman) is a fun-loving girl of sixteen, with an unusual knack for getting some member of the family in trouble. Through her untiring efforts her parents have given blood to the Red Cross, and Judge Wilkins has had to pay a number of long distance telephone bills. Miriam's best trick was writing to service men overseas, using the identity of her older sister Ruth (Mary O'Meara). All goes well until one of the service men, Lt. Bill Seawright (Joe Altschaefl) shows up at the Wilkins' home looking for Ruth. Ruth tries to tell Bill of the mistake but soon finds herself in love with him, much to the dismay of her fiance, Albert Kummer (Charles Gessert). This hilarious situation, aided by the antics of Dora, the Wilkins' maid, (Mary Juech) ends in a double wedding with Bill's sister Martha (Mary Keeley) and his buddy Sgt. Chuck Vincent (Paul Naus).

After the ceremony, and before the happy couples take their departure, the doorbell rings, and Harold Klobbermeyer, (Wally Ziegler) another of Miriam's victims, comes looking for Ruth.

The cast, directors, and all who worked on the play are to be complimented for an entertaining performance.

## VARIETY SHOW

Long before the curtain opened for the Variety Show the basic plans were laid by Director Shlimovitz. Then followed many hours of work selling tickets, preparing acts, and promoting the show. Ticket sales started slowly in January, and then as the student body became more enthusiastic, sales began to move. As usual every student was issued tickets, and everyone did his or her best to make the show a sellout.

To call the show merely a success would be an understatement; it was terrific as the audiences of 2,000 can testify.

There was no individual star in this production; from Mr. Shlimovitz, the director, right down to the lowest stagehand the show was a cooperative effort. Each one shared in the glory that shone on the production when the final curtain came down.

There were many variety, comedy, and song acts too numerous to describe. Each performer gave his or her best and made the show one of the most successful ever produced.

Congratulations go to Mr. Shlimovitz and the cast for a fine contribution to the student activity fund.

### GENERAL CLUB PROGRAM

To create new interests, to develop one's skill and to allow one to enjoy his hobby are the aims of the club program. Every Tuesday morning forty minutes are set aside for club activity. There are two groups of clubs: Group I meets on one Tuesday and Group II meets on the next Tuesday. The clubs alternate in this way from the start of the program on October 28 until the termination on April 28.

Each club is under the supervision of one or more members of the faculty, and the entire program is supervised by Mrs. Frances Fogtman, guidance director of the high school.

Six of the most active and progressive clubs have been pictured here; however, there are many other clubs which are equally enjoyed by the students. The following is a list of the clubs offered in 1952-53:

### FUTURE FARMERS OF AMERICA

The F. F. A., under the direction of Mr. Weiner, is a nationally affiliated organization of boys studying vocational agriculture. Members of this club are interested in developing leadership, community service, honesty and thrift. A meeting is held every other week to take care of business and educational progress in each of the projects. Professor James of the College of Agriculture was the guest speaker at the annual banquet held in March.

### WASHINGTON COUNTY PIONEERS CLUB

Studying, enjoying, and gaining a greater appreciation of local history is the purpose of the Washington County Pioneers Club. In order to learn more about their locality, members have taken many trips under the guidance of Miss Heidner and Mrs. Gill. The club's officers are Andrew Klumb, president; Dian Degnitz, vice-president and Lou Ann Puestow, secretary-treasurer.

## FUTURE TEACHERS OF AMERICA

The Future Teachers of America acquaints the student with all phases of the teaching profession. Mr. Holt and Mr. Eggert are the advisers of this club. Students were given opportunities to do practice teaching at the McLane Grade School and at the high school. During the year visits were made to many colleges where speakers informed them on a teaching career, coaching, extra-curricular activities and college subjects.

## LATIN CLUB

Again this year the Latin Club engaged in many activities. Programs for both football and basketball games and booster pins for these two sports were sold by the club. The annual Roman banquet was held on March 19 at which faculty, school board and members of the club were present. The officers are Tom Ackerman, president; Gordon Griesemer, vice-president; Carol Gessert, secretary-treasurer.

## GERMAN CLUB

To stimulate an interest in the culture of the German people is one function of the German Club. During the basketball season concessions were sold by this group. With the profits they earned, packages were sent to Germany, one of them containing water colors and crayons for the younger people. During the year the club members had many interesting speakers who informed them on the present living conditions of Germany.

## FUTURE HOMEMAKERS OF AMERICA

This year the home economics department expanded its club program from the Modernettes to the present organization. Several members participated in district baking contests, gaining valuable experience. Edith Shaw represented our school at the district cherry pie baking contest. These girls are learning the fundamentals of a happy and prosperous home so that they might carry on with their homemaking abilities in later life.

# The Badgers

## . . . *Who study governments of their state*

Ripon College was the scene of the 1952 session of Badger Boys' State attended by Joseph Altschaefl, Paul Naus, Dick Ruppin, Steven Schatz, and Walter Ziegler.

Sponsored by the American Legion, the primary purpose of this program is to bring to Wisconsin boys a knowledge of the fundamental principles of our American government and give them actual practice in performing the duties of city, county, and state officials.

While in attendance, the boys elect officials to enforce the laws and ordinances which they as a group enact for their model government. Each boy belongs to a political party campaigning and voting for the candidates. It is not all work and no play, however, for time was reserved for recreation and nonsense.

For eight days the 650 Badger Boys run their own government and learn the principles which comprise our American way of life.

All too soon this wonderful experience was over, and the boys returned to their home towns as informed citizens of our country. The lessons learned and the knowledge acquired will be an asset in later life when they, as adults, will take active part in the running of our governments.

Badger Girls' State is a project in good citizenship, co-sponsored by the Wisconsin American Legion Auxiliary and the University of Wisconsin Extension Division for one week of training in government. The girls learn by doing as they take part in mock elections and discussions on the various phases of government. Talks by state, county, and city officials, a visit to the Capitol building, and the conducting of a court trial by the girls are some of the more serious projects. Swimming, a talent show, and a picnic were some of the leisure time activities.

Each girl was a citizen of a particular city and county and a member of either the Nationalist or Federalist political party. Campaigning for officials nominated to local, county, and state offices resulted in a display of posters, parades, and the formation of a pep band. A daily newspaper was also written and published by the girls.

Attending the 1952 ninth session of Badger Girls' State, along with 272 girls from other Wisconsin schools, were Lucille Wardius, sponsored by the American Legion Auxiliary of West Bend, and Edith Shaw, sponsored by the West Bend Woman's Club.

"Practice makes perfect" is the slogan which the girls adopted to be used when exercising their rights and duties as citizens.

## . . . *A helping hand*

Efficient running of our school would not be possible without the services rendered by the cooks, janitors and office staff. Their duties are ones which receive little publicity, but would be quickly noticed if not performed. Without their help the school's appearance would be drab and dirty, there would be no warm meals served in the cafeteria and the business end of our school system would be of no practical value. To these people we owe a hearty thanks for their long hours of work for our benefit.

Coaches Runkel, Caldwell, Strohacker

For the third consecutive season, our fighting football Badgers rolled over Little Ten opposition to become champions of the conference. Under the excellent coaching of Caldwell, Runkel and Strohacker, the Red and White put on a great display of punting, passing and pounding the opponents' line. It was a great season by a fine team, many of whom will be graduating this year.

Led in the backfield by Ken Frank, Jim Weiss, Ilo Rauscher and Gordie Rose, the Badgers formed a powerful offensive team with the ability to score when the touchdown was needed. Hustle, teamwork, and that little something extra, the something that only champions have, was evident at all times. The fans saw a smooth-working team with, maybe, a fake by Weiss, a pass by Frank, and then a plunge into the line for a big gain by Rose.

When the season began, the football situation looked bleak. Many seniors had been graduated, including several lettermen. The backfield needed a face lifting, with three of the four '51 regulars having to be replaced. The shaping of a new team began just before the opening of school. Then came opening night against Notre Dame, and there was a hopeful anticipation along with doubts. Soon all doubts were dispelled. This team was going to be a fighting contender, a power to be reckoned with in Little Ten Conference play.

Coached by Carl Kuss the "B" team again racked up a perfect record --- undefeated.

The fans were again in full support of the team. The enthusiasm was tremendous and the sportsmanship outstanding. The turnout of so many people in all probability helped in making the team.

Mr. Bertram's homeroom enters the winning float.

Homecoming, this year, meant not only the parade, floats, bonfire, and dance, but also the clinching of half of the Little Ten Football Championship. A victory was accomplished with flying colors as our Badger eleven smashed Ripon's hopes with a score of 12-0.

The traditional toothpick was so well hidden that it was not found before classes had to be resumed. Thus, it was during the second hunt that Donna Engelmann found it. The honor of lighting the bonfire and crowning the queen was hers.

The suspense surrounding the election of the queen was ended at the rousing pep meeting when Donna placed the crown upon Linda Taagen's head. Marlene Tesker (senior), Virginia Hoy (sophomore) and Margaret Garcia (freshman) composed her court.

At the dance, which concluded the festivities, the results of the float and window contest were announced. Mr. Bertram's homeroom had done it again! Their tank won an undisputed first place. Mr. Grignon's seniors also did a fine job to win first place in the decorating of a window.

Credit also goes to the Student Senate, sponsors of this gala event.

# Basketball

## . . . *Dribbling in for a Bucket*

Fast action, high speed, and a thrill a minute describe the 1952-53 Badger basketball team. While not having a winning season, the squad made their opponents fight all the way down to the wire.

Led by newly elected captain, Ken Frank, the Badger quintet developed into a smooth working team. Frank, the peppery floor leader, was aided by Ilo Rauscher, a sure shot standout; Pee Wee Johnson, a fancy dribbling guard; Bob Kissinger, a fine feeder, and Jim Jones, a smooth rebounder.

Frank, Kissinger, along with Bob Kell and Dan Duernberger have seen their final basketball playing days in West Bend High. This loss due to their graduation will be serious. However, Jones, Johnson, and Rauscher form the nucleus of a fine basketball five for the coming season. They will be flanked by veterans John Moeller, Tom Oelhafen, Jim Kieckhafer and other promising "B" team standouts.

Bruce Fossum and Bob Strohacker are to be congratulated for their excellent coaching.

## . . . *Take Me Out to the Ball Game*

The crack of the bat, the roar of the crowd, and the familiar rhubarb with the umpire means that baseball is with us. The 1952 Badger baseball team brought all the thrills and excitement that can be found in baseball. Alert defensive work and fine pitching played a major part in West Bend's winning their section of the Little Ten Conference Championship.

The Red and White, winner of the state championship the previous season, showed much of the same form but was eliminated from state competition in the district play. On the field the Badger pitching was spearheaded by Jim Weiss, Ken Frank, and Ilo Rauscher. Bob May, Bob Kissinger, and Ronnie Johnson provided a great deal of the batting attack.

A great deal of the credit for the hustle and winning ways of the team can be credited to Coach Carl Kuss, who really turns out fine baseball teams. Coach Kuss is an expert on sticking to the fundamentals in order to win.

The Badgers were a most aggressive team throughout the entire spring campaign. The baseball squad of 1952 had a fine record and was a good representative of West Bend High, as evidenced by the many fans at each game.

# Track

## . . . *Sprinting Down the Cinder Path*

With snow still on the ground, the West Bend speedsters started their track workout under the coaching of Mr. Runkel, assisted by Mr. Caldwell.

About sixty trackmen turned out for the invitational meet at Whitefish Bay. This was the first big meet of the year, and no one was certain how well the team would do. Tevis Reynolds was the only scorer for the Badgers. Several key men had been lost through graduation, but the fight and spirit for a victory was still with the 1952 track team.

As the season progressed, the Badgers captured a victory at the dual meet with Mayville and in the triangular meet with Mayville and Horicon. Excitement mounted as the boys prepared for the Little Ten meet at Ripon. Although the Badgers did not win, they did show that the Badgers were competing.

The following week there was a track meet with West Bend, Port Washington, and Hartford to determine who would qualify for the State. Tom Giombetti, the high jumper, was the only man from West Bend to go to the State meet.

Mr. Runkel, at present the director of city recreation, has resigned as head coach, this position being filled by Mr. Strohacker for the 1953 season.

## . . . *On the courts and on the green*

### TENNIS

The match was tied, the volley was completed, the Badger doubles team was about to serve in its final set. This description is typical of the fast action and exciting moments provided by the West Bend High School tennis squad during the 1952 season.

The Badger squad was sparked by Dan Duernberger, the only lefthander, Dick Rehm, Tom Schleif, Peter Hosp, and Tom Oelhafen. Finishing third in Little Ten competition, the courtmen showed fine spirit and alert play.

Coach Hildebrand, in the process of rebuilding the squad from the championship season a year previous, formed his material into a well-rounded tennis team.

With the loss of only two regulars the next year's Badger squad should really prove to be a good one. We can look forward to many exciting matches for "win or lose", tennis will always be a fast-moving, thrill a minute game.

### GOLF

Spring is eagerly awaited by the members of the golf team. Comprising the 1952 team were Wally Ziegler, Alex Gosse, Steve Schatz, and James Sauer.

The first practice tournament was held at the West Bend Country Club, April 28. West Bend was the first place winner in the meet.

The second tournament composed of four teams was held at Hartford, May 5. When the final results had been tabulated, West Bend was again the first place winner.

Then on May 19 there was a practice in preparation for the Little Ten Meet the following week. The Little Ten Meet was held at Waupun on the 26th of May, and Oconomowoc placed first, Hartford second, and West Bend third.

The 1953 team boasts three returning members and hopes that with the experience gained in previous years, they can show an excellent record this year.

# G. A. A.

## . . . *Athletics for fun*

Marshmallows in vinegar, peanut butter, and kissing the "Blarney Stone" marks the beginning of the G. A. A. member. But that isn't all there is to becoming a G. A. A. member; girls interested in sports begin earning points when they are freshmen. After earning 10 points, they are initiated at the annual Christmas party.

Because of the new intramural program, G. A. A. has been less active in after-school activities; however, the members were very active in intramurals.

Besides the traditional scavenger hunt and roller skating party, we had several ice-skating parties and an ice cream social.

This year our G. A. A. field hockey team went to Milwaukee to compete against other schools. We did very well, coming back with a victory.

Early in the fall the senior members were invited to a play day at the University of Wisconsin. We met other G. A. A. members and participated in many sports. We learned a lot and had quite a few funny experiences which we will never forget.

Under the guidance of Misses Forster, Weber, Bornfleth, and Gerhartz, the 1952-53 G. A. A. has had a successful year.

# Intramurals

## . . . *Ten competing teams*

How to include more students in our present intramural system was the problem confronting our sports minded faculty last fall.

Finally Mr. Panfil suggested the plans for our present intramural system recently initiated at West Bend High School. It is designed to stimulate student participation in the athletic events between ten newly organized teams. Every student in the entire school is on one of these ten teams.

Students and teams receive points for the games and championship matches they have won. These points are recorded, and at the end of each school year, recognition is given to the teams and players who have the highest number of points to their credit.

In the fall of the year, a volleyball tournament was run during the two noon hours, with basketball and dartball competition after school. The scheduling was such that six teams were participating in the evening sports at all times. The remaining four teams provided scorers. Following the noon hour volleyball program a ping pong and checkers tournament was held. Bill Moeller and Marjorie Bruckmueller captured the ping pong championship titles. John Kirsch walked away with the checkers crown. Spring sports included softball, archery, badminton and horseshoes.

Headed by the administration, the faculty advisers, and the student managers, the new intramural system gives the students an incentive to sign up and take an active part in the athletic activities which are an important part of building character as well as developing one's body.

Dear Pat, I don't know just what to write, after all I met a
good deal more things to start with. Although do you remember
the time that I and Pat you and Don ate Tom-dales and
other things. I'll always remember Thursdays. I hope
you liked W. B. I can't be to bad, but you won't
worry about any more, this is if I ever get in. I was glad to
be your brother" Pat. I hope you will always keep a place
in your heart for me. There has been many nice
days and many bad ones too. It's God way for us all
to live.

God always be with you Pat no matter what
may happen.

Love

Bill
